

test_preprocessor.cpp

```
graph TD; A[test_preprocessor.cpp] --> B[mwp_302-preprocessor.h]; A --> C[string.h];
```

The diagram illustrates a C++ source file, `test_preprocessor.cpp`, which includes two header files. Two blue arrows originate from the bottom of the `test_preprocessor.cpp` box and point to the `mwp_302-preprocessor.h` and `string.h` boxes respectively.

mwp_302-preprocessor.h

string.h
